Three Youth Caught in a Near-Flam-
ing Game—Reprimanded and Dis-
charged.

Thursday afternoon, three young
men who have been up to no good
number of scrapes that involved
crime in one form or another, framed
Cyrus scheme whereby they were to
get away with a little candy, tobacco,
etc., without paying for it.

The plot was conceived in front of
the Maverick laundry on Main street.
One fellow was to go into the store
and call for a pound of candy, another
for some tobacco and the third for
some other article, and then all beat
it.

Frank D. Penton, who conducts a
grocery store on Summit street, was
the man to be victimized. The trio
started for the hill and came very
near pulling off their stunt, but Mr.
Penton seized one fellow as he was
slipping through the door and notified
police headquarters. Captain Rich-
mond took the young man to the sta-
tion and endeavored to ascertain the
names of the other two. He was suc-
cessful at last and the three were no-
tified to report at the station house in
the evening. Two showed up and the
captain gave them until 3:30 to bring
the third fellow.

About 8 o'clock all three put in an
appearance. Mr. Penton having no
desire to prosecute, if they would only
stay away from his store, the captain
permitted them to go free after giv-
ing them a lecture.

One of the fellows has been before
the court and his influence do the
others is bad.

Wrestling Matches—Actual and Pro-

negotiations are being made for a
wrestling match between Young Hen-
dicks of this city and a wrestler from
Putnam, the match to be pulled off next
Thursday evening at Putnam under
the auspices of the athletic and social
club.

Up to date no information relative
to the proposed Lawson-Hendricks
match, to be held in this city under
the auspices of the Windham Athletic
club, has been received by Arthur B.
Small, manager for Young Hendricks.
It is the opinion about town that Law-
son's manager is not over-anxious for
a match with the clever young Greek
affiliated with the local club.

Unless some word is received soon,
other matches will be arranged for
Young Hendricks.

"The Dollars of the Daddies"

You know how hard they were earned, how carefully they were
husbanded, how judiciously they were invested.

The dollars grew into hundreds, the hundreds into houses, into
farms, into wise and profitable business investments. These "dollars
of the daddies" are the basis of our present prosperity. They were
not lured into speculation, or into risky investments. The "daddies"
demanded security and accepted the returns absolute safety gave.

What about your dollars? Are they absolutely safe? Make
them so by starting an account with this institution at once and
allow your mind to be relieved from all attendant worries occasioned
by questionable financial deals.

Big Woodchuck: But How Big?

The news of death of a mammoth
woodchuck at Chaplin Friday after-
noon was received in this city by wire.
The chuk, which is said to be the
largest seen in the town of Chaplin in
many moons, was put out of commis-
sion by a deft blow from an axe in
the hands of Constable P. H. Brom-
field, who has been employed as boss
farmer on the home farm of the late
William Ross during the past year.

Woodchucks are numerous in the
vicinity of Chaplin and a number
have been captured in the old way,
with traps, but the base of a farm-
er's existence landed by the spry
young constable is without question a
prize winner. The animal is to be
placed on exhibition at one of the
village stores.

Among the bunch of wrestling en-
thusiasts who went from this city of
Norwich Thursday evening, stayed
to the finish and only being able to
get a car far as far as Battle, on
a suggestion of J. M. Dondero, vice
president of the Windham Athletic
club, started to get into preliminary
trials for the summer meet by walk-
ing the balance of the way to Will-
imantic. A. B. Small, L. N. Dondero,
Paul Coutt, Louis Coutchman, James L.
Small, George Burnham and Young
Hendricks started the Battle square
midnight and trudged into Stearns &
Rosebrooks at a few seconds past 2
m. The pedestrians came over the
trolley route and hit the ties in the
high places. The order of finish was
Dondero, Burnham and Coutchman, with
the rest lagging a trifle.

DANIELSON.

Finding for Plaintiff in Case of Paine
vs. Palmer—Mortgage on Oil Engine
Plant Foreclosed—Double Funeral—
Merchants to Honor Memory of S. S.
Waldo.

In the superior court at Putnam
Thursday Judge Howard J. Curtis
gave judgment for the plaintiff in the
case of Paine vs. Palmer, to wit: Edwin L.
Palmer. The action was a foreclosure
proceeding involving the Palmer prop-
erty, in the rear of the local freight
depot, and to his late wife, Mrs. B.
on which is situated the army, White's
bottling works, the Union steam
laundry and the Danieleson house
known as the "Yellow" block. Notes
given at various times by Mr. Palmer
to James A. Paine, now de-
ceased, and to his late wife, Mrs. B.
Paine, and aggregating \$10,000, were
secured by mortgages on the property.
The plaintiff claimed foreclosure of
the mortgages and possession of the
premises, which was allowed by the
court with a time limitation until the
first Monday in May, Mr. Paine, who
presently resides in Providence, is
known, to redeem. Mr. Paine gave
figures showing the principal of the
notes amounting to \$11,000, to which
was added accrued interest amounting to
\$2,837.50, and an additional \$1,324.97
expended during several years for
taxes, insurance and other charges, mak-
ing a total of \$15,162.47. The income dur-
ing the time from the property has
amounted to \$5,887.50, leaving a bal-
ance due of \$9,274.97, which amount
judgment was given.

MORTGAGE FORECLOSED.

Two Claims with Interest, \$16,025,
Against Oil Engine Co.

A mortgage held by Charles B.
Wheatley and Frederick A. Jacobs on
the property of the International Oil
Engine company was foreclosed at
Friday morning's session of the su-
perior court in Putnam. The amount
of the mortgage was \$15,000. It cov-
ered a large tract of land, known as
company industrial place, known as
factory sites C and D, and extend-
ing east to Cohun boulevard, west to
the railroad, and north to the street
known as the "Yellow" block. The mor-
tgage was taken to secure Mr. Wheat-
ley on a note for \$10,000, and Mr. Ja-
cobs on a note for \$5,000, both pay-
able on demand.

M. P. Gould & Co. of New York
and the Essex Brass company of De-
troit were interested in the fore-
closure proceedings, the former com-
pany having placed an attachment lien
for \$500 and the brass company one
for \$100. The plaintiff claimed strict
foreclosure and that the title of the
premises be vested in them.

The defendant claimed no de-
fense. Judge Harry E. Back, repre-
sented Messrs. Wheatley and Jacobs,
requested Judge Curtis to make the
period of time for the sale of the prop-
erty and the date for the sale of the
property in May and succeeding days
for the elements in order of proceed-
ing. The court granted the request.
The principal of the note, \$10,000,
and interest amounting to \$5,000,
and to Dr. Jacobs \$5,000 plus interest
amounting to \$75, a total to the two
of \$16,025.

Entertainment Course a Success.

completed this week, has surpassed in
the degree of success that of any pre-

provided the people of Danielson with

Prominent Churchman and Mason Extols Great Body Builder.

Mr. E. D. FOSTER, 53 years old.

Mr. E. D. Foster, of Elkhart,
an active Methodist 40
years, prominent in Tem-
perance and Masonic
Circles in Indiana, who
is 83 years old, ex-
presses his convic-
tions on the world's
greatest tonic and
stimulant.

Recently Mr. Foster wrote: "I have
felt for some time that I ought to let
you know what your medicine has done
for me. I have been using Duffy's
Pure Malt Whiskey for a year. My
son from New York City was visiting
me and gave me a bottle of your medi-
cine. It commenced to restore my
strength at once. I use it every day now."

"I can do a good day's work in the
blacksmith shop at the age of 83 years,
and I attribute this to three table-
spoonfuls of Duffy's Pure Malt Whiskey
a day. I have taken no other medicine.
Duffy's Pure Malt Whiskey is a won-
derful builder for an old man."

"I have been a member of the Metho-
dist Church for over 40 years and believe
in the temperate use of all good things."

Men and women in all walks of life
testify to the great good derived from
the world's
